TO: Trinity County ALUC Commissioners

RE: ALUCP Volume 2 Chapter 1 Review

At the December workshop, there were only two commissioners present. Chairman Groves deferred discussion of Reconstruction, Infill and the remaining Special Conditions until a quorum of the ALUC was present.

Therefore, we ask the Commissioners to focus on Sections 9, 8 and 7. We will review those policies in their entirety in that order at the next workshop on January 29 at the Weaverville Library. We will bring examples of the tables referenced in the January 29 revision to facilitate the discussion. The final tables for our ALUCP are not yet complete, but we have examples from other jurisdictions that may facilitate discussion.

Beginning with the January 29 revision, we will mark changes with “Change Bars” next to text that has been significantly altered to facilitate review of changes. Only significant changes are marked – typographical or editorial changes are not marked.

A copy up the updated glossary and the current revision are posted on the web site.

Thank you for your time.
